Restaurants To Serve Negroes If Threatened

2 Klansmen Bound Over To Court

LEGISLATURE

(Continued From Page One)

According to a special session of the Louisiana legislature, the House of Representatives today passed an amendment to the state constitution which would allow the state to sue any person or corporation who refused to serve Negroes in restaurants, hotels, or other public places.

The amendment, which was introduced by Rep. Salvador Azavedo, a New Orleans delegate, was passed by a vote of 64 to 14. The amendment would allow the state to sue any person or corporation who refused to serve Negroes in restaurants, hotels, or other public places.

Grandson Of Piper Aircraft Prexy Killed

ELLENVILLE, N.Y. (AP)—Dan Piper, grandson of the Piper Aircraft Co. president, was killed Sunday night when his small plane crashed in a mountainous area near Ellenville.

Piper, 17, was flying back to his home at Lock Haven, Pa., after a visit to Cambridge, Mass., where he had been trying to decide whether to attend Harvard University or to go to Princeton.

The youngster, just graduated from Lock Haven High School, where he was student council president, had left Boston alone and at 6:31 p.m. told a radio operator at Worcester, Mass., that he was headed for Lock Haven.

The youth was the son of Mr. and Mrs. Howard Piper. His father is an executive of the small plane manufacturing firm of which his grandfather, William T. Piper Sr., is president.

A search was started in the area after a pilot headed for Teterboro, N.J., airport reported sighting a plane. That came as Piper was reported overdue.

Anthony Barone, owner of a nearby airport, sighted the crashed plane near a mountain lake.

The plane was burned.

National Guardmen in Utah, Idaho, Wyoming, Colorado, Nevada and New Mexico searched and then stood guard over similar stations.

The close-mouthed FBI had a blanket "no comment" for every question about their investigation. Salt Lake Tribune photographers were allowed to take pictures of damaged stations and outsiders of those undamaged, but not interiors stuffed with huge batteries, control panels and other equipment.

At each blast site, broken steel hunk of concrete and splintered lumber littered the scene. Investigators searched the debris for clues.

Unexploded TNT, some of it wrapped in military olive drab, was found at one site. Howard Bood of the Mountain States T&T said, "We don't know whether it's a crackpot, or what, but he called it sabotage."

So did Sheriff J. C. Harris of Elko County, Nev. Bob McDaniel of the Bell Telephone Co. in Nevada commented, "It appears to be an isolated situation and does not appear to be any national plan."

Gifford Named To Presidency Of Broadcasters

NEW ORLEANS (AP)—The new president of the Louisiana-Mississippi Associated Press Broadcasters Association is Alec Gifford of WDSU-TV, New Orleans.

Gifford was elected Sunday at the closing session of the two-day meeting, which also named vice presidents for Louisiana and Mississippi.

Jim Erwin, WIBR, Baton Rouge, is vice president for Louisiana, and Bill Sides, WOLO, Tupelo, for Mississippi.

Mrs. Virginia Ryder, KCIL, Houma, was named secretary-treasurer, and Ken Davis, New Orleans AP bureau chief, executive secretary.

Named to head the association's continuing study committee was I. J. (Pinky) Vidacovich, WWL, New Orleans.

In bi-state competition among newscasters, top awards went to Donald Bonin, KANE, New Iberia, for a five-minute newscast; Erwin, 15-minute newscast, and Gifford, spot newscast.

The main speaker before the association Fritz Lindley, warned that if the United States did not improve its relations with Latin America, this nation would be isolated by a combination of banana, iron and bamboo curtains.

Area Youths To Graduate From West Point Soon

FERRIDAY (Special)—Two area cadets, Glynn C. Mallory, Jr., and George Cherry Jr., will be graduated June 7 from the U. S. Military Academy at West Point, N.Y.

Cadet Mallory, the son of Mr. and Mrs. Glynn C. Mallory, Sr., of Waterproof, has been active as a member of the debate council and as a cadet Sunday School teacher, was also a member of the Army track and football teams. He will be commissioned a second lieutenant in the Army Infantry and will receive the bachelor of science degree. He is a 1957 graduate of the Waterproof High School, where he was a star athlete.

Cadet Cherry, the son of Mr. and Mrs. George M. Cherry, Sr., of Route 2, will be commissioned a second lieutenant of Infantry and will receive a bachelor of science degree. Cherry was active in the Spanish language, H. F. and skeet clubs and was also a cadet chapel Sunday School teacher.

Predicts U.S. Will Get To Moon First

WASHINGTON (AP)—The United States will beat the Soviet Union in a race to the moon, says the chief of the nation's space agency.

The space administrator, James E. Webb, made the prediction Sunday and added that the next U.S. manned space trip—a sub-orbital flight—is scheduled for late June or early July.

Webb's deputy, Dr. Hugh Dryden, would not fix a date for the moon expedition. He said only it would come sometime within the next decade.

Last Thursday, National Aeronautics and Space Administration officials said at news conference the lunar flight might come off as early as 1967.

Webb and Dryden expressed their views in a television interview on NBC—"Meet the Press."

Dryden estimated the costs of landing and returning a moon expedition at \$20 billion to \$40 billion.

Skid Row Drunk Dies In Jail

SAN FRANCISCO (UPI)—Raymond T. Gorman, who vowed to stop drinking after a hotel fire that started in his room killed 29 persons, died Sunday in the drunk tank at city prison.

The 62-year-old Skid Row habitué succumbed to cirrhosis of the liver and pneumonia, an autopsy surgeon said.

It was during a drinking bout in Gorman's room at the Thomas Hotel last January that someone—Gorman or one of his visitors—dropped a lit cigarette on a bed.

Optimist Club To Sell Half Ton Of Shrimp

The annual West Monroe Optimist Club shrimp boil will be held Friday afternoon at the Fairgrounds in West Monroe where Optimists will serve more than half a ton of shrimp with the trimmings, according to Louis George and Wood Sers, co-chairmen of the affair.

Nearly 1,000 advance tickets have already been sold to persons who may either pick up their shrimp plates and take them home or eat on the premises at the Fairgrounds.

"We expect this year's shrimp boil to overshadow last year's," according to George. "And we enjoyed an outstanding success last year," according to George.

George said the shrimp boil last year, the club's first, didn't go as smoothly as had been hoped. "The turnout was larger than we expected. As a result we ran short of shrimp and had to keep some of the patrons waiting while we cooked more."

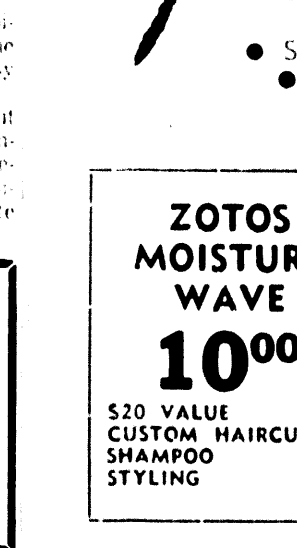

"This year we won't have that problem. We are making sure of that," according to Sers.

Proceeds of the shrimp boil will be used in the Optimists boys program.

One of the main projects of the club this year will be partially financed with proceeds from the shrimp sale. That's the operation of a summer playground in Baw-comville.

The shrimp will be ready at 3 p.m. when patrons may come by the Fairgrounds and pick up plates.

Members of the Optimist Club will continue the ticket sale throughout this week.

Strike Threat Hangs Over Cape Canaveral

CAPE CANAVERAL, Fla. (UPI)—The threat of a wildcat strike which could halt all missile and space shots from this huge test center hung over the Cape today pending requested action from President Kennedy.

Unionists said the dispute, if unchecked, could lead to a wildcat walkout despite a labor-management agreement announced last week guaranteeing uninterrupted work at U.S. missile bases.

The possible strike, which two labor unions say they don't want, centered around the layoff of 16 photoflashers.

Representatives of labor, management and the military were scheduled to meet today to discuss the argument involving the Radio Corporation of America (RCA) and photoflashers union locals 666 and 720 of Laboratory Technicians and Camera Repairmen.

Meanwhile, the union claimed their 300 members had showered Kennedy with requests that the administration's new Human Government-management-labor mediation commission step in to referee the fight.

One union member said in a telegram to the President, "It now seems that the only way we can protest this unfair labor action is to strike—unless you intervene."

The unions claim that RCA, which has a government contract to handle photographic coverage of rocket tests at the Cape, had violated a work contract by cutting off the 16 cameramen without regard to a seniority clause.

Chandler Back On Critical List

CULMER CITY, Cal. (AP)—Actor Jeff Chandler, 42, is again in critical condition. New internal bleeding Saturday forced him to undergo his second emergency operation in nine days.

The gray-haired actor was reported "conscious" Sunday and resting well.

A hospital spokesman said that there had been no change in Chandler's condition since Saturday's surgery, which was much shorter than the first emergency operation May 15.

Husband Of Lost Girl To Seek Divorce, Marry

CHICAGO (UPI)—Carol Ann Batterman, 19, and a bride of two weeks, disappeared from a bus stop in Oklahoma on Memorial Day three years ago.

Today, her husband hopes to start a new life with a new girl. But Carol's parents say they believe their daughter is still alive. "We'll never give up hope," they said.

Carol Hlavac and Dennis Batterman were childhood sweethearts, went to the same high school in a small suburb southwest of Chicago and had the same friends. Neighbors said they were "good kids."

They married on May 17, 1958. Batterman was stationed at a naval air training center. They honeymooned at a motel in nearby Moore, Okla.

On Memorial Day, Batterman drove to the base as usual. Carol was to take a bus to the base that afternoon and meet him when he got off duty. They planned to go house hunting.

Man Gets Jail Term For Theft Of Shotgun Here

Judge Jesse Heard today sentenced a 41-year-old man, James Hoyte Smith, to 12 months in the Ouachita parish jail after he pleaded guilty to theft of a shotgun.

Smith, a resident of Bude, Miss., who was staying at 333 Harrison Street, Monroe, pleaded guilty to taking the gun, valued at \$145, from Bert Adams of Hanksville on May 24 of this year.

In other action, two persons were fined \$300 and costs of court each for operating motor vehicles while under the influence of intoxicating beverages. One Knight, 37, of San Francisco, Calif., and Elmer Joe Hopper, 41, of Bude, La., pleaded guilty to the charge and received the sentence.

Elmer Hopper, General Dealer at Monticello, Ark., was given 30 days in the parish jail for disturbing the peace. The sentence was to run from the date of incarceration.

Rapides Sheriff Pleads Not Guilty To Simple Battery

ALEXANDRIA, La. (UPI)—Rapides parish sheriff G. L. Kelley Jr. pleaded not guilty today to his arraignment on the first of three counts in simple battery.

Kelley, who did not appear in court, was represented by attorney Cassius Gravel and J. B. Nachman. Gravel's motion to postpone the arraignment to Thursday was overruled by Dist. Judge Guy Humphries.

The simple battery charge was an outgrowth of the alleged slapping of a former deputy, John Tambure.

Kelley was ordered to appear before Dist. Judge Walter M. Hunter at 10 a.m. Thursday for setting of a trial date.

The sheriff already was scheduled to appear before Hunter on that date for arraignment on nine indictments, recently returned against him by the Rapides grand jury.

Bill Transfers Health Resort

BATON ROUGE (AP)—The Senate today concurred with House amendments in a bill to transfer the Hot Wells health resort to the Commerce and Industry Department and sent it to the governor for signature.

The resort near Alexandria now is in the Department of Hospitals. The move was sponsored by the Joint Legislative Committee on Tourism.

Gilbert told the Senate earlier the state wanted to use the promotional facilities in Commerce and Industry to boost the mineral wells operations.

West Offers Concession At Geneva Talks

GENEVA (AP)—The West offered a new concession to the Soviet Union today and dropped a demand for a minimum number of 20 annual on-the-spot inspections in the Soviet Union under a nuclear test ban agreement.

The offer was made by the United States and Britain in hopes of lifting the 10-year-old talks out of deadlock. But the Soviet delegate, Simeon K. Isakov, called the Western offer "unrealistic, impractical and not conducive to agreement."

Western negotiators feel that at least one out of five suspicious "rumors" presented as organizing in the Soviet Union should be examined by foreign inspectors.

Britain and the United States are willing to accept a minimum of 12 inspections. But they insist that for every additional 10 suspicious rumors, considered there must be one additional on-the-spot inspection up to a maximum of 20.

Other speakers scheduled to appear later before the talks include Mrs. Sally Shapiro, wife of the Ontario Health Unit, Montreal, and J. W. Democrats Urge Political Truce

WASHINGTON (AP)—Democratic leaders called today for a cooling-off period in Republican political attacks until President Kennedy has talked with Soviet Premier Khrushchev in Vienna.

Senate Democratic Leader Mike Mansfield of Montana urged a truce to suspend at least temporarily the kind of foreign policy blasts at the President with which the GOP kept the political

battle reverberating over the weekend.

"This is not the time, with the Khrushchev talks approaching, for anyone to become political or partisan in the foreign policy field," Mansfield said. "Rather it is the time for all Americans to come to the aid and support of their president."

Sen. Hubert H. Humphrey of Minnesota, the assistant Democratic leader, said in a separate interview he recognizes the Republicans' right to criticize foreign policy decisions. But he said he thinks the country would benefit by a little more unity behind the President as he approaches the Vienna meeting.

"For the Republicans to assail the President as he is preparing for this vital conference in bad manners, bad politics and poor judgment," Humphrey said.

Kennedy, who is 44 today, told a cheering audience of 6,000 at a birthday dinner here Saturday night that he intends to make it clear to Khrushchev that the United States will resist to the end all those who are seeking to destroy human freedom.

Kennedy said that he is going to individual conferences with Khrushchev, President Charles de Gaulle of France and Prime Minister Harold Macmillan of Britain because he feels it is "indispensable for leaders of nations to have an understanding of the men with whom they must deal."

Vice President Lyndon B. Johnson told his colleagues he believes that "three men on every continent" will be behind Kennedy's June talks with Khrushchev.

Republicans gave no sign, however, of any let-up in widespread criticism of Kennedy's foreign and domestic policies in which they engaged over the weekend.

Sen. Everett M. Dirksen of Illinois, Senate Republican leader, told a Republican meeting Sunday in Chicago that he believes Kennedy could blunder the nation into war with the Soviet Union.

Republican National Chairman Thurston B. Morton told an Alibiquetque, N. M., audience that the prestige of the United States had "plummeted to an all-time low."

He said people everywhere are beginning to "wonder about the mettle and the maturity of the new administration."

Democrats defended Kennedy spiritedly.

Dedicate Port Of Natchez Saturday

FERRIDAY (Special)—Several hundred residents and officials of Concordia Parish motored to neighboring Natchez, Miss., Saturday morning to attend the formal dedication of the new \$1,200,000 Port of Natchez.

The dedication was featured by a speech by Hon. Ross Barnett, governor of Mississippi. The new facility was built and developed locally without the aid of federal assistance.

The facility, a steel and concrete dock extending to deep water on the Mississippi River, has direct connections with main highways and primary railroads. It is adjacent to a 30-acre planned river front.

Police identified the dead 21 as Daniel Boone, Miss. Kennedy's middle name was Boone.

The accident occurred shortly before dawn on Route 6 between Saint Georges de Reims and Belle Ville.

Daniel's father, Marcel, was seriously injured, police said. The driver of the automobile, Regin D'Amboise, also was injured.

There had been considerable speculation whether Mr. Kennedy would be able to visit his French relatives during the three-day visit to Paris.

The Boone family decided to send a member of the family to Paris in hopes of seeing Mr. Kennedy, it only to find

Adult Course In Care Of Aged Opens At OPHS

W. W. Ward, superintendent, Ouachita Parish Schools, today announced the inauguration of a new program in adult home economics education. To get the program started, a new class on "Home Care of the Aging" held its first meeting at Ouachita High School at 2 p.m. today and will be taught by Mrs. Ann May, now home economics teacher at Ouachita High.

Adults in the Monroe area interested in learning to care for the aged are invited to enroll in the class at Ouachita High School, Ward said. While the course is designed specifically for women, all adult men who are interested may enroll, he added.

The main objectives of this proposed study group, Ward said, are to fill the need for trained people to give non-medical care to aging persons in their own homes and to give some training to older men and women to replace them for painful employment.

This new concept in adult education will provide training for mature women for the specific purpose of assisting families with aged relatives or frail older people living alone, Ward said. Members of the class will be trained in light housekeeping duties, marketing and the preparation of meals, he said.

These non-medical services, Ward said, should serve to assist the aging to live independently in their own homes and to keep them in good health thus avoiding more expensive nursing care.

Funeral Services Held Here For Mrs. Snellings

Final rites for Mrs. Satchie B. Snellings, who died early Sunday, were held Sunday afternoon with the Rev. W. H. McFadden, pastor of the First Presbyterian Church, officiating.

Burial was in Memorial Park Cemetery by Mulhearn's.

A lifelong Monroe resident, Mrs. Snellings died at her home, 1501 Riverside Dr., after an illness of several months. She was 79.

Mrs. Snellings was a member of the First Presbyterian Church. Surviving are two sons, George M. Snellings, Jr., Monroe, and Brand Snellings, New Orleans, eight grandchildren, and one great-grandchild.

Pallbearers were Kent Beard, Henry Bernstein Jr., T. B. Moore, Elmer Stage Jr., King Stubbs, J. H. Tronsdale Jr., H. G. McDonald and Dr. J. W. Cannon.

Thousands, however, stayed at home in Johannesburg, Port Elizabeth, Durban and some other major cities.

The South African radio, government-controlled, quoted police and military officials as saying the rioters are going to work as usual. There is no support for the strike call in Johannesburg.

But a high percentage of the workers employed in this city obviously stayed away from their jobs. Hardly any were to be seen on the streets that normally are crowded with them during the morning rush hour. The railroad station looked deserted when it should have been jammed.

3-Day Strike Called By South Africans

JOHANNESBURG, South Africa (AP)—A three-day strike called by political leaders of South Africa's nonwhite, voteless majority opened today but not with universal success. The strike is due to run until South Africa cuts ties with Britain and becomes a republic Wednesday.

Violence broke out against bus lines Sunday night in some areas, notably Durban and Port Elizabeth, but there were no immediate reports of trouble this morning.

South African police and troops were mobilized to protect Negroes, Indians and Indians who wanted to work, and many of them chose to report as usual.

Raccoon Causes Electric Stoppage

POSSING, N.Y. (AP)—A young raccoon caused a brief electric power stoppage in three Westchester County communities early Sunday.

Officials of the Consolidated Edison Co. said the animal attempted to jump from one line to another, instead getting caught in wires and caused a feeder line short circuit which affected nearly 6,000 homes in Ossining, Yonkers and Briarcliff Manor.

The raccoon was killed.

Man Gets Jail Term For Theft Of Shotgun Here

Judge Jesse Heard today sentenced a 41-year-old man, James Hoyte Smith, to 12 months in the Ouachita parish jail after he pleaded guilty to theft of a shotgun.

Smith, a resident of Bude, Miss., who was staying at 333 Harrison Street, Monroe, pleaded guilty to taking the gun, valued at \$145, from Bert Adams of Hanksville on May 24 of this year.

In other action, two persons were fined \$300 and costs of court each for operating motor vehicles while under the influence of intoxicating beverages.

One Knight, 37, of San Francisco, Calif., and Elmer Joe Hopper, 41, of Bude, La., pleaded guilty to the charge and received the sentence.

Elmer Hopper, General Dealer at Monticello, Ark., was given 30 days in the parish jail for disturbing the peace. The sentence was to run from the date of incarceration.

WRINKLES

by Marie Devant

New York Chemical scientist Marie Devant has found a white substance made of two acids naturally found with quail-ovoid that works wonderfully well on wrinkles. But don't overdo it, she cautions. "If you use too much, it will make your skin entirely possible you will experience a great improvement next morning. In a general sense, if you use a few drops daily, wrinkles start to vanish. Many of the small ones around the eyes and mouth have already disappeared. But that is not all. 'Old-Age' (weathered) brown spots on hands and arms—brown 'age' darkness on surface of face and neck fades away! Even the most stubborn weathered complexion, like grey or blackheads, can slip out without squeezing at all! Walgreen cosmetic counters.

Kind Lady Stars On Funt Show

By FRED DANZIG

NEW YORK (UPI) — It was Maurice "Macbeth" Evans who tried to stir the double, double toil and trouble, fire burn and "Candid Camera" bubble Sunday night.

As a volunteer infiltrator on Allen Funt's masquerade party, Mr. Evans assumed a double role. He found himself being upstaged by his intended victim, an understanding woman called "Mrs. Montgomery," who killed him with her kindness.

The stunt required Evans to station himself in the New York office of the British Travel Association and, by donning disguises, send Mrs. Montgomery to see different officials. Finally, when Mrs. Montgomery told Evans, in the role of a mild-mannered clerk, that a starched executive (Evans) also had spoken derisively of him, Evans began sobbing.

The stunt reacted by patting his hand, assuring him that his blundering was quite all right and she turned to Evans' make-believe boss, played by Funt, and said, "I don't know why you have to upset him."

Mrs. Montgomery's patience and sympathy seemed to melt both Evans and Funt and they couldn't reveal their true identities. "Oh, my goodness," said the woman, "I do look like Maurice Evans." It was a sweet segment and Funt said Evans will survive this shattering exposure to a non-professional scene stealer.

When is a depressed area not really depressed?

After watching NBC TV's "Huntley Reporting" Sunday, I'd say the answer is when the depressed area is like Charleroi, Pa.

With its unemployment offices crowded because of changing production techniques in its coal and steel industries, the community has decided to get back on its feet by attracting new industry to the Monongahela Valley. An Industrial Development Corp. (IDC) has been formed, its mission to build a plant and other inducements that will make the area attractive to diverse companies. The cameras showed IDC members going about musing.

Kennedy To Spend Summer Days At Cape Cod

HYANNIS PORT, Mass. (AP) — An anticipated President Kennedy is making plans to spend part of the hot weather season in his summer White House on the Cape Cod shore.

There were speeches, rallies, parades, doorbell-ringing and a general spirit of "gung ho" pre-Saturday night, staying in the vailing, Depressed? Not where home of his father, Joseph P. Kennedy is concerned, it seemed. Kennedy, while preparing for what he called his conferences later this week offered no explanation for his re- with French President Charles de Gaulle in the area of Gaulle and Soviet Premier Khrushchev in Europe. The President owns his own of conflict exists, it added to this home, in the Kennedy "com-report, would have put the Char- pound" but it is being repaired, term story into sharper focus. Pierre Salinger, White House

press secretary, inspected facilities at Otis Air Force Base this morning. That base, about 18 miles by road from the Kennedy summer home, would provide office space.

Kennedy could hop by helicopter from his home to Otis in a few minutes.

Salinger said it is possible the President will operate from Cape Cod sometime in August. Kennedy has been expected to stay in Washington until Congress adjourns. When Congress is able to wind up its work is always uncertain, but leaders are aiming at adjournment around Aug. 1.

Food Stamps To Get Counter Test

By BURL OSBORNE

WELCH, W. Va. (AP) — Food stamps, a new effort to improve the diet of the nation's needy, are to get an over-the-counter test here today.

The first allocation of stamps under President Kennedy's pilot program were to be distributed in this southern West Virginia Community this afternoon. The stamps can be spent like money — but only for food, not whiskey or beer in retail stores.

Secretary of Agriculture Orville Freeman and Gov. W. W. Battle planned to attend ceremonies launching the first of eight test programs.

The food stamp plan will substitute for surplus commodities in

the pilot area. Here in McDowell County some 10,000 families, more than half the county's population, had been certified to receive commodities.

Automation in the food industry has caused much unemployment here.

The stamp program was set up with approximately 10,000 families in mind, but so far scarcely more than one-fourth of those have asked for stamps. Last Friday, the target date for completing applications, stamp officials had certified only 2,767 families.

Officials believe a tighter screening policy may have discouraged citizens in the commodities program from trying to participate in the stamp handout.

Also, many who received commodities in McDowell County were not residents of the county.

Only McDowell residents can participate in the stamp tests. No commodities will be handed out during the pilot period.

Stamp program officials blamed misunderstanding on the part of would-be applicants for some of the lag. Program director Howard P. Davis said in Washington some persons believe they can continue to receive commodities if they do not participate in the stamp program. Others, he said, fear they must put up cash for their stamps when they apply for their assistance.

Kennedy Directs Counterblow On Ransom Critics

By WHITNEY SHOEMAKER

HYANNIS PORT, Mass. (AP) — President Kennedy today was reportedly directing an administration counterattack on critics of the tractor deal to liberate captives of the Cuban refugee invasion.

Kennedy, here for a weekend of rest and study, was understood to have considered that Western Hemisphere problem while leveling primary attention on his proper colleagues later this week.

Former Vice President Richard M. Nixon and Republican leaders in Congress have denounced the proposition of Cuban Prime Minister Fidel Castro to exchange 1,200 prisoners of the invasion attempt for 500 tractors and bulldozers.

They called it blackmail and criticized Kennedy for helping to organize a committee of U.S. citizens to raise the necessary millions and arrange details of the transfer.

There have been signs that Castro may wobble on the offer, and one administration objective is to put the Cuban dictator on the spot.

Kennedy has appealed for contributions to pay for the tractors, which would cost an estimated \$10 million. The White House also has disclaimed that behind the scenes he got three committee members together. But Kennedy also has declared the government itself can play no part in the transaction of fund raising.

That job was left to the committee, consisting of Eleanor Roosevelt, Walter Reuther, head of the United Auto Workers, and Dr. Milton Eisenhower, brother of former President Dwight D. Eisenhower and president of Johns Hopkins University.

The administration is said to believe the situation is just right to undo any damage in relations with other Latin American nations, caused by the invasion failure.

Castro apparently thought up the tractor-for-prisoner exchange in hopes of building his own prestige while hurting the United States in the eyes of Latin America.

Reaction from that part of the hemisphere, however, has been surprisingly favorable to the United States, Kennedy reportedly says. It's time to make the most of that reaction.

Majors Deliver Record Run Of 37 Homers In One Day

Tigers, Giants Taking Firmer Grip On Leads

By FRED DOWN
United Press International

Major league ball games lived a record day of home runs Sunday as the 154th anniversary of the country's Memorial Day holiday.

All told, there were 37 homers, a record for a single day in the history of the major leagues. The 154th anniversary of the country's Memorial Day holiday.

And when it was all over, the Detroit Tigers and San Francisco Giants had taken a combined 11 homers, the best team with the longest record of homers in a single day.

The Tigers, powered by three homers from Alvin Dark, took a 3-0 lead in the American League game at Detroit. The Giants, led by Willie Mays, took a 3-0 lead in the National League game at San Francisco.

11 HOMERS AT NASHVILLE

Little Rock Pitching Takes Shreveport For Two Games

By THE ASSOCIATED PRESS

It was just like old times, Nashville doubleheader came out even, Nashville captured the opener, the way the home runs were sailing out of Sulphur Dell during the short nightcap 13-8, and every Sunday twin featuring Chattanooga and the Vols.

Chattanooga won the home game, 6-5, but the pitching around

the Southern Association was much sharper. Little Rock got excellent mound work from George Stepanovich and Chuck Daniel and swept a doubleheader from Shreveport 7-4 and 7-2.

Howie Kopitz improved his record to 6-0 for Birmingham when he subdued Mobile 5-1 for the front running Barons on eight hits. Atlanta topped the tail-end Macon Peaches 4-2.

Four Chattanooga homers, one a grand slam by Fred Van Dusen, accounted for nine runs as the Lookouts stormed back to gain their split at Nashville. Rookie first baseman Cal Enery boosted his season total to 10 homers by hitting two in the first game and another in the second. The Vols rallied to take the opener by scoring twice in the bottom of the eighth when Ev Joyner and Eddie Stozski wrapped singles around a triple by Buddy Gilbert. Stozski's hit, off Chattanooga ace Warren Hacker, drove in Gilbert with the winning run, but the loss was charged to John Booser, second of three Lookout hurlers.

A two-run homer by John Sullivan and Stan Palys' two-run double were the big hits for Birmingham as the Barons dealt Mobile a 5-1 victory. Bob Anderson hit his sixth setback in seven decisions and increased their league lead to a full game over Chattanooga. Kopitz surrendered eight hits, but the shattering right-hander never was in trouble. The only Mobile run was unearned. It scored after an error by LeGrand Scott gobbled up a likely double play in the eighth inning.

Atlanta and Macon collected eight hits each, but the Crackers used all but two of theirs in scoring, and Macon wasted five safeties. Al Norris, just in from Spokane, homered in the second inning, his first time at bat for Atlanta. The victory went to Ken Rowe (4-3), an Atlanta right-hander who worked in the Sally League, where he needed help from Jack Smith when Macon rallied in the eighth, Smith, who put out the fire, also worked once in Macon's victory.

Stepanovich limited Shreveport to three hits for Little Rock in the first game. The only run scored by the Sports was unearned. Don Sener homered and singled for Little Rock in the first game and added a single in the nightcap to send his hitting string to 13 consecutive games. He has hit safely in every game since he joined the Trains from the Pacific Coast League.

Monroe's Stars Down Shreveport Negro Team, 9-7

The Monroe All-Stars won their sixth game in eight starts Sunday when they defeated the Shreveport Black Team, 9 to 7, at Legion Memorial Stadium here.

The All-Stars, after playing the Delhi Negro team next Sunday in Delhi, will play their next home game here June 11 against the Arcadia Braves.

Pete Jones homered for the Stars in the defeat of the Shreveport team. Sharing Monroe pitching were Oscar Williams and Laverne Jones.

Michigan State's all-time baseball rebound leader is Johnny Green, credited with 1,066 recoveries in three years of varsity play — 1957-58-59.

Tribe Worried About Perry's Pitch Control

CLEVELAND (AP) — What's wrong with pitcher Jim Perry? That's a big question in Cleveland these days.

"His trouble is control and the only thing that can help is work," according to Manager Jimmie Dykes.

Perry, on 18-20-one winner in 1960, suffered his fourth straight loss Sunday to go with his two victories.

The Kansas City Athletics blasted Perry for five straight hits in the first inning, including a three-run homer by Leo Posada.

Perry left without retiring a single batter and the Athletics went on to an 8-4 second game triumph. The Indians won the opener 9-1 on Gary Bell's six-hitter.

Will the 24-year-old right-hander be relegated to the bullpen?

"No," said Dykes. "He'll start Wednesday night against Minnesota. His control is off. He's coming in with pitches too high and he just needs work."

Monroe's Little League baseball program tonight calls for two games.

North Monroe Lions play KLIC in a Southside League game at Lions Field, and Texaco meets Monroe Brick in a Northside contest at Bendel Stadium. Both games are scheduled to begin at 7 o'clock.

Senior Class Given Parties In Farmerville

A cake party honoring the Farmerville High School senior class was given by the Ladies Bible Class of the Methodist Church on Tuesday morning at 10:30. As guests entered the recreation room, they received miniature graduate favors and were invited to sign the ladies guest-book.

An arrangement of red and white flowers, class colors, adorned the refreshment table. Soft piano music was played while the seniors and sponsors enjoyed a fellowship and were served refreshments consisting of sandwiches, graduate cakes, and coffee.

DINNER PARTY The senior class was honored with a dinner party at Ruston Golf Club Tuesday night, May 16, at 7 o'clock. Hosts were Mr. and Mrs. M. Stein Baughman, Mr. and Mrs. Palmer Dean, and Mrs. Herbert Green. Mr. and Mrs. Jake Long and Mr. and Mrs. Metz R. Tugwell.

As guests entered the softly lighted club, they were greeted by each of hostesses. They were invited into the club room where they enjoyed a brief "chat time" before dinner.

On each side of the clubhouse were arrangements of red roses placed in the center of white linen covered tables. After being ushered into the candlelight dining room, guests were seated at tables decorated with red roses and greenery.

BRUNCH A brunch was given honoring the group by the First Baptist Church on Thursday, May 18, at 9:30 a. m.

As the guests entered the Bine Room decorated with arrangements of red roses, they were greeted by several women.

A table in one corner of the room featured a football helmet filled with greenery and red roses. Also decorating the table and wall above were an edition of "The Flow," a 1961 "Pine Knot," a graduation cap. Soft piano music was provided by Mrs. Frank Veltou.

After being seated, guests were led in games and songs by Mrs. Ben M. Lee, and Mr. J. V. Armore, church music director.

INFORMAL PARTY A "Western Round Up" was held at the American Legion Hall Thursday, May 18 at 7:30 p.m.

Series Of Parties Honor Miss Josephine Mendolia

Pre-nuptial parties are continuing for Miss Josephine Mendolia, bride-elect of T. B. Hightower of Delhi. The wedding will be an event of Saturday, June 3, at 5 p.m. in the Rayville Sacred Heart Catholic Church.

LUNCHEON PARTY

The home of Dr. and Mrs. J. E. Ball on Pecan Drive, Rayville, was the scene of a bridal luncheon Wednesday afternoon given in Miss Mendolia's honor. Hostesses for this event were Mrs. Ball, Mrs. J. E. Stodghill Jr., Mrs. Sidney Reech Jr. and Mrs. Leon Ezgers.

The honoree chose for this party, a white linen dress worn with orange jacket. She was presented a white orchid corsage by her hostesses. Her mother, Mrs. John Mendolia received a pink orchid.

Guests were invited at 12:30 p.m. to the spacious ball home. A color theme of pink, silver, and white was carried out in the decorations. Several dainty arrangements of white lilies and Queen Anne's lace were placed at vantage points in the reception area.

The luncheon table, covered with a pink cloth, was centered with a white bride placed in the center. Place cards were held by miniature bride dolls, which were given as favors to the guests.

The hostesses presented Miss Mendolia with a silver bread tray as a gift.

Approximately twenty-two guests attended this function. Out-of-town guests were Mrs. Frank Fragala of Monroe and Mrs. Lucille Millikin of Waverly.

DESSERT BRIDGE

On Thursday, May 18, Miss Mendolia was complimented with a dessert bride party in the home of Mrs. B. L. Waite on Pecan Drive. Co-hostesses were Mrs. L. Yancey, and Mrs. Waite.

Upon arrival of the guests at 7:30 in the evening, the hostesses served a dessert plate, after which all gathered at the dining table where gifts were arranged around a solid bowl holding garden vegetables, this being a kitchen shower for the honoree.

Throughout the reception area, arrangements of southern magnolias had been placed along with other spring blossoms.

For this occasion, the honoree wore a beige cotton knit ensemble, accented with tangerine and gold jewelry, and bone accessories. She was given a clever corsage, denoting the kitchen theme, and constructed with a radish man attached to a gay

RYAN'S CHEVY NOTES

"The Children's Corner"

The most important capacity of your automobile is not its horsepower but its braking power. That's why the Chevrolet & Corvair are built with the world's safest brakes.

This particular class is in session to impress the necessity of good brakes when applied for the lives of unpredictable youngsters between playgrounds and homes.

Children are quick. Their reflexes act a lot faster than those of an adult. But they act on impulse; much of the time without thinking. It's impulse which puts a child in danger, and inability to think which leaves him there. So, suddenly a child darts out in front of your car... the extent of his future will depend on what you can do in the fraction of a split second.

Over here at Ryan Chevrolet, we have a special place in the heart of our big service dept. devoted primarily to children... it's the brake repair and maintenance department, really, but we call it the "Children's Corner."

Test the stopping ability of your car the next time you drive. If it isn't instant, bring it down to the Children's Corner and we'll soon put a stop to it. You'll get a big, thorough job and only a small bill... you'll be literally "Stopping-on-a-dime." Why so much for so little? Well, look at it this way. We don't repair your brakes just for your sake... we've got kids, too.

grandiflora and confederate jasmine. Mrs. John Mendolia of Rayville, mother of the bride-to-be, and Mrs. Lucille Millikin of Waverly, sister of the groom-to-be, greeted guests and assisted in extending courtesies there.

Mrs. Sam Fragala of Rayville and Miss Emily Blomquist of Monroe served refreshments on the patio. The focal point of the patio, where cold drinks were served from a massive black wrought iron container with floating gardenias, was a large fountain flowing over rocks.

The refreshment table on the patio held an arrangement of golden yellow and bronze day lilies.

In the family room where friends visited informally, a copper pitcher filled with bronze gardenias and English ivy was placed on a low circular oak table.

As favors, all guests received tiny gold key chains with the words "Jo and T. B. — June 3, 1961"

Mrs. John Fragala of Rayville, assisted the hostess in giving the party.

A large number of friends from Rayville, Bastrop, and Monroe called between the appointed hours of 9:30 and 11:30 a.m.

A. P. Lassiter Platform Is Released Here

District Attorney Albin P. Lassiter who is seeking the Fourth District Judgeship, has issued an eight-point platform.

The district attorney, who is serving his second term, is being opposed by Mack Barham, Bastrop city judge.

Lassiter, 55, has been a resident of Ouachita parish since 1931. He was educated in the schools of Rapides parish and received a B. A. degree from Tulane University in 1927 and his LL.B. in 1929. He is a member of the Fourth District, Louisiana State and American Bar Associations and is serving on a special committee in the Criminal Law Section of the national organization.

Since 1955 he has lectured at the University in Chicago each summer at a special course for prosecuting attorneys from all of the states in the nation and many foreign countries, including England, France, Italy, Israel, India and others.

The platform of any lawyer as a candidate for District Judge can only be promises of fairness, impartiality, soberness, application of the law to the facts, and "to temper justice with mercy."

A candidate's proven convictions and beliefs should determine his qualifications. These qualifications should have been known and proven by the action of the candidate to the voters before the campaign began.

I believe that:

(1) My primary obligations are to God, my Country and my family. A man's church should be a real part of his life. His country's government should be a real concern and he should not be afraid to take issue when he believes the leaders are wrong. The family is the backbone of America and should be the central interest of any man. Juvenile delinquency is best controlled at home.

(2) The Constitution of the United States gave only limited power to the Federal Government. The States, and their citizens, are being systematically stripped of personal rights because of selfish interests and political expediency and greed of the few, through our Federal courts.

(3) A governing power that can cause one man to become more important than all the rights of another man, can eventually destroy all the rights of both men. (Russia and its satellite countries have done this. Cuba is doing it. China did it. It is of little value to sit on the top deck if the whole ship is sinking.)

(4) Each elected official owes a duty to take a positive public stand on all serious issues. (The

people show confidence in a man when they vote for him. He should repay them by investigating the facts, and report to these folks who elected him.)

(5) An elected official's record is not his own, but that of the people who elect him. (As District Attorney I have carried out the policies of the people of Morehouse and Ouachita Parishes. If the record is good, the credit belongs to the good people of Morehouse and Ouachita, and not to me, alone, as I was just their spokesman.)

(6) Judges should be elected by the people. (It is good that a judge know that he is accountable to the voters. A candidate should run for the job at hand, not on the basis of a lifetime position.)

(7) Each voter should exercise his right to vote in every election. (In practically all elections, enough voters fail to go to the polls, that the result could have been changed by those who stayed away. Our system of government will improve only when the vast majority of registered voters make their wishes known at the polls.)

(8) A candidate for office should fulfill every promise made. (Thanks to the Sheriff's Department of Ouachita and Morehouse Parishes, the City Police of Monroe, West Monroe and Bastrop, and the Louisiana State Police Troop F, I have been able to fulfill my promise to enforce the laws. Thanks to the Police Jury and School Board of Monroe, I have kept my promises on various other scores. All members of Grand and Petit Juries have been conscientious and most helpful, too.)

Lassiter is now serving as Vice President of the National District Attorneys' Association; as Vice Chairman of the Salvation Army Board; as Special Attorney for the Joint Segregation Committee of the Louisiana Legislature; as special counsel to the Sovereignty Commission of Louisiana; as a member of the Louisiana Law Institute Advisory Committee on the Code of Criminal Procedure.

Lassiter is a member of Western Star Lodge, F&AM. He is immediate past president of the Louisiana Baptist Brotherhood

and has always been active in civic and religious enterprises in this area and in Louisiana. He has practiced law in all the courts of Louisiana and in the United States Courts, including the Courts of Appeal and the Supreme Court. He is and has been District Attorney for Morehouse and Ouachita Parishes since 1954, having had no opposition for the second term of office.

Lassiter stated: "If the people sincerely believe that I am qualified to serve as their District Judge, and approve of my actions, a their District Attorney, and really believe as I do, then I would appreciate their vote of confidence on June 10th."

Summer School Registration Slated June 6

Registration for the summer session at Northeast Louisiana State College will be held June 6, with classes to begin the following day.

The session will continue through August 10. Dr. Clint Hanna, dean of instruction, has announced.

GRAIN

CHICAGO (AP)—Grain futures prices showed no significant trends either way today in generally light dealings on the Board of Trade.

In the early afternoon, trade became somewhat more active and several contracts moved up to the plus side of Friday's closes after having been slightly easier most of the day. The late demand was credited mainly to commission

'Sit-In Song' Book Issued By CORE

By CHARLES K. SIKER
NEW ORLEANS (UPI)—"You don't have to ride Jim Crow. You don't have to ride Jim Crow. On June the third the Jim Crow said, 'If you ride interstate Jim Crow is dead. You don't have to ride Jim Crow.'"

Song to the slightly compromised tune of "There's no hiding Place Down Here," this is to be one of the theme songs of the Freedom Riders of the Congress of Racial Equality.

It is included in a booklet called "Sit-In Songs" printed by the New York headquarters of CORE of equality demonstrators.

The 22-page pamphlet was worked up and partly written by Jimmie McDonald, himself a Freedom Rider among those who are arrested in New Orleans with the first wave after a party's access to the Alabama.

Legends at the foot of many of the selections tell much of the history of the passive aggression of whites, violence, and ride-ins which have worn Southern tempers to lemon trays.

As sung by the Rock Hill Student, "reads one footnote. Another jingle was written by 'Candace' Anderson in Nashville."

Anderson's contribution: "They go wild, simply wild over me. Every time I go downtown and see for tea."

"They make up all sort of rules. Even try to remove the stools. They go wild, simply wild over me."

Negro spirituals are scattered among the original material along with straight pieces such as "The House I Live In" and a classic, "The Same Boat, Brother."

One of McDonald's own poems is about the more blunt in the book:

"Sat down at the lunch counter. Ordered me a coke. The manager turned red, white and blue. I thought that he would choke."

"Mary had a little lamb. Flooze was white as snow. The lamb was smartest in the school. Where Mary couldn't go."

"The peanut is a very light tan. The acorn it is black. But James O. Eastland's hurry head. Is the hardest nut to crack."

Another number was turned out by Barbara Broxon, Patricia and Priscilla Stephens, while serving in the Leon County jail for sitting in at a Woolworth lunch counter.

It's called "Fight On" and is written to be sung to the tune of "Old Black Joe."

Graham's Throat Appears Better

LONDON (AP)—Doctors reported today that Dr. Billy Graham's throat trouble seems to be responding to treatment and that he may be able to start his preaching campaign next Saturday.

The American evangelist was still confined to bed, dosed with antibiotics and given strict orders to rest. He was permitted a set out of bed Sunday to take a few minutes fresh air from the windows of his hotel sickroom.

The ailment, described simply as "a severe upper respiratory infection," bothered Graham during his voyage here on the Queen Mary. He arrived here last week to launch the biggest preaching campaign he has ever waged in Britain.

An understudy, Leighton Ford of Canada, will open the crusade at Manchester tonight.

Meeting Between Castro, Tractor Envoy Said Near

MIAMI (UPI)—Informed sources said today that Cuban Premier Fidel Castro may receive a special American envoy to Havana within the next few days for consultations on the proposed tractors-for-prisoners exchange.

The sources said the envoy would be expected to discuss details of the deal outlined by the 10-man delegation of prisoners which Castro sent to the United States to bargain the exchange.

The price agreed upon for the sale release of the 121 men captured in the abortive April invasion was 500 tractors at an estimated cost of between \$15 million and \$20 million.

Havana Radio indicated that Castro met in Havana with the delegation Sunday to receive a report on its mission. The delegation returned from Miami Saturday after a week in the United States where it was reported to have won a written commitment by a civilian tractors-for-prisoners committee handpicked by President Kennedy.

The Havana press hinted Sunday that the report by the negotiating team probably will be followed up by a visit from a special American representative.

Senate Rejects Bill To Raise Cosmetology Fees

BATON ROUGE (UPI)—A Senate Committee today rejected a bill which beauty operators complained was a scalping raid by the State Board of Cosmetology.

The measure would have raised fees for beauty shops 125 per cent.

Lester J. Gaudy of Lafayette, President of a non-partisan association of beauty shop operators, presented a detailed account of expenses of the 10-member Board of Cosmetology, complaining the board began inspecting beauty shops when they decided to ask for the increase in fees.

"Beauty shops haven't been inspected in the last eight years," Gaudy said. "We feel the entire legislation authorizing the board should be redone, to allow the shop owners more representation."

Present members of the board were appointed by Gov. Jimmie H. Davis. Mrs. Flossie Arnold of Shreveport, vice chairman of the board, defended her expense accounts by saying, "I'm a respectable lady and I travel first class."

The Senate Finance Committee voted 23 to 10 to reject the bill unfavorably, and the bill's author, Sen. A. O. Rappeport of Galliano said he was considering forming a legislative committee to investigate operations of the board.

Sen. A. C. Clemens of Jennings said he voted against the bill because "I think the board has a little housecleaning to do before they can justify this sort of increase in license fees."

Chiropractic Founder Dies

SARASOTA, Fla. (UPI)—The body of Dr. B. J. Palmer, the developer of chiropractic, was shipped Sunday to Davenport, Iowa, for funeral services there Wednesday.

Palmer died Saturday at his winter home here after a lingering illness. He was 76.

Palmer drew wide attention to Davenport as the "chiropractic townhead." He was the president of the Palmer School of Chiropractic, which he founded.

Highway Death Toll May Reach Record

The highway death toll held to a record today which could set a record for the nation's extended Memorial Day weekend.

An ominous aspect was absence of the expected substantial mid-holiday slump—between the deadly peaks at the opening and closing hours.

By midmorning today the figures showed traffic deaths were occurring at a rate of 4.3 an hour. This is the same average hourly rate maintained throughout 1960 when 38,200 traffic fatalities were counted for the year.

The 30,200 total, however, embraces deaths from injuries weeks and months after the date of the accident. The current count covers only deaths over the holiday period.

Wife Of GI Kills Three Children

ATHENS, Greece (AP)—A young U.S. Army sergeant's wife strangled her three children and then slashed her throat, Greek police said today.

Joann Baker, 23, of Stockdale, Texas, is in critical condition at the U.S. base hospital, police said.

Mrs. Baker was found by her husband, Joel, when he returned to his Kalamaki villa home early Sunday.

Dead in their beds were their three children, Kathy, 2, Susan, 3 and Joel, 7. Police said all apparently had been strangled in their sleep with a nylon cord.

Baker's home is Route 2, China Grove, N.C.

Police said Mrs. Baker slashed her throat with a kitchen knife. Greek authorities said a suicide note was later discovered at her bedside in a library.

It is a common mistake to think that the only way to deal with depression is to "snap out of it" or "pull oneself together." In reality, depression is a complex condition that often requires professional help. The first step is to consult a doctor or mental health professional. They can help you understand the symptoms and provide a diagnosis. Treatment options may include therapy, medication, or a combination of both. It's important to remember that depression is not a weakness and that seeking help is a sign of strength. With the right support and treatment, it is possible to overcome depression and live a fulfilling life.
